Re: **Fleet® Prep Kit 3 – Decision to Discontinue Sale**

Dear U.S. Healthcare Professional:

The purpose of this letter is to notify you that, effective January 4, 2010, C.B. Fleet Company, Inc., doing business as Fleet Laboratories, discontinued further sale of its Fleet® Prep Kit 3 product. **PLEASE NOTE THAT THIS IS NOT A RECALL AND DOES NOT AFFECT PRODUCT CURRENTLY IN DISTRIBUTION. Fleet® Prep Kit 1 was previously discontinued effective February 13, 2009.**

The decision to discontinue Fleet® Prep Kit 3 is a business decision and is not related to Fleet's recent recall of its Fleet® Phospho-soda® and Fleet® Phospho-soda® EZ-Prep® Bowel Cleansing System products. The Fleet® Prep Kits were not subject to the December 11, 2008, FDA MedWatch Safety Alert on OSP Oral Sodium Phosphate Products for Bowel Cleansing.

Should you have any questions about this letter or Fleet® Prep Kit 3, please do not hesitate to contact us at MedicalAffairs@cbfleet.com or 1-866-255-6960.

Sincerely,

A handwritten signature in black ink that reads "Sherrie McNamara".
